

Example flipchart page taken from 'Tu as un animal?'

Task objective: to comprehend a brief animal description which uses adjectives of colour and size, leading to practice at producing similar descriptions.

1. Pupil uses the Eraser Tool to rub and reveal writing hidden in the lavender field.

2. Using the Marquee Select Tool, pupil alters the size of the animal to fit the description revealed.

3. Pupil completes the transformation of the animal by using the Colour Fill Tool to recolour according to the description.

4. Pupils use the examples to make up their own descriptions.

This exercise can be done as a listening comprehension, using the sound recording on the page instead of or before revealing the written descriptions.
